JAMES BALLENTINE VFW POST 246
UPTOWN, MINNEAPOLIS

James Ballentine VFW Post 246 provides a crucial link between veterans and the community of Minneapolis area. JB Post 246 links new age feel with old school principles. Our goal is to provide a place for veterans to come and have a sense of responsibility post military, while enhancing the surrounding community.

The Veterans of Foreign Wars of the United States is a nonprofit veterans service organization comprised of eligible veterans and military service members from the active, guard and reserve forces. We trace our roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service: Many arrived home wounded or sick. There was no medical care or veterans' pension for them, and they were left to care for themselves. In their misery, some of these veterans banded together and formed organizations that would eventually band together and become known as the Veterans of Foreign Wars of the United States. Today, membership stands at nearly 1.7 million members of the VFW and its Auxiliary.
